## **2012 SCHOLARSHIP AWARD APPLICATION FORM**

**Name:**

**Address:**

**Email Address:**

**Telephone number:**

**Date of birth:**

**Age:**

**Employer/School/College:**

**Current employment:** (include any part time jobs)

**Qualifications:** (if you are still studying, tell us what exams you are studying for)

**Tell us about your interests:**

**Tell us why you would like to learn to fly:**

**Tell us about your ambitions and career plans:**

**As well as the time spent in the air, gliding involves many hours of work on the airfield, doing essential jobs like towing gliders back to the launch point. There will be days when you will spend all day at the airfield and may not have a lot of flying or may occasionally not manage to fly at all. How do you feel about this?**

**There are a number of active young pilots but most club members are adults. How do you get on in a predominantly adult environment?**

**Our airfield is not easily accessible by public transport. You will need to arrive around 8.00am and may be there until 6.00pm or even later. What arrangements will you make for transport?**

**There is a huge difference in progress between those who attend every week (weather permitting) and those who don't. How regularly would you attend and how will this fit with other commitments?**

**Would you prefer your regular day of attendance to be Saturday or Sunday?**

**How did you hear about our Scholarship Scheme?**

Those shortlisted will be invited to a selection day when they will be given a free winch launch to assess their aptitude for gliding.

I would like to apply for a gliding scholarship with the EAST SUSSEX GLIDING CLUB

Signed..... Date .....

As parent/guardian of an applicant under 18, I am willing to support my son/daughter's application.
